Message from the **Founders**

Dear Students, Parents, and Well-Wishers,

It is with immense pride and gratitude that we welcome you to i30 Learning Centre—a place where your aspirations fuel our mission. In today's highly competitive world, success in exams like IIT-JEE and NEET requires more than just knowledge; it demands grit, discipline, and a lifelong passion for learning.

Since our inception, we have been guided by a powerful mantra: "Start Early. Stay Focused. Succeed with Grit." This philosophy shapes every aspect of our approach—combining a structured curriculum, precision in teaching, and consistent practice to build not just academic strength, but enduring confidence.

Our experienced faculty offer more than subject expertise—they serve as mentors who inspire, guide, and transform. Every lesson, doubt-clearing session, and mock exam is carefully designed to move students from confusion to clarity, and from effort to excellence.

To our students: Your dreams are valid. Embrace every challenge, ask fearless questions, and strive for your personal best—always.

To our parents: Your trust is our foundation. We are deeply committed to nurturing not only your child's intellect, but also their character, resilience, and ethical values.

Together, let's go beyond exam scores. Let's shape a future where our students emerge as leaders, innovators, and compassionate changemakers—ready to contribute meaningfully to society.

Warm regards

Sampat Beniwal
Chairman

Dr. Lalit Agarwal
Secretary

Our Institute Profile

Our Mision

We're on a mission to change the educational landscape.

On a **quest to turning the aspirants' dreams** into a beautiful reality with the technology-based systems, unique concepts, and in a friendly environment!

Our Vision

To help the young & dynamics one with our eminent academic **excellence & quality education.**

Our Core Values

Local Touch	Integrity
Honesty	Accountability
Hard Work	Discipline

Infrastructure & Facilities

Since we know **you deserve the best, it is our responsibility to provide it.** We have ideated, planned and constructed our academy in the finest possible way. Be it infrastructure or amenities, we have maintained the highest standard of cleanliness and hygiene.

Know The Benefits Of **ChOOsing JEE!**

Joint Entrance Examination (JEE) is an engineering entrance examination conducted for admission to various engineering colleges in India and regarded internationally as one of the most challenging undergraduate admission tests. It is constituted by two different examinations - JEE Main and the JEE Advanced.

The Joint Seat Allocation Authority (JoSAA) conducts the joint admission process for a total of 23 Indian Institute of Technology campuses, 32 National Institute of Technology campuses, 18 Indian Institute of Information Technology campuses, Indian School of Mines and 19 other Government Funded Technical Institutes (GFTIs) based on the rank obtained by a student in JEE Mains and JEE Advanced.

Exam Name	Joint Entrance Examination (Main)
Also Known As	NTA JEE Main
Exam Category	Undergraduate
Exam Level	National
Exam Mode	Online (Computer based test)
Conducted by	National Testing Agency (NTA)

PATTERN

PAPER 1 (BE/B.TECH)

- The exam will be of a total duration of 3 hours.
- 20 questions in each subject will be Multiple Choice Questions (MCQ) i.e. each question will have four choices, only one being the correct choice.
- 5 questions in each subject will be Numerical Value Questions i.e. each question will have a numerical value as the correct answer.
- For Multiple Choice Questions, each correct answer fetches 4 marks, while each incorrect answer has a penalty of 1 mark (-1 mark).
- For Numerical Value Questions, each correct answer fetches 4 marks, while there's no negative marking for incorrect answers.
- No marks are awarded for questions not attempted.
- There will be 75 questions in all.
- The candidate can go back and change any of his/her answers among the 75 questions.

The number of questions in each part is as follows:

Subject	No. of questions	Marks
Mathematics	20+5	100
Physics	20+5	100
Chemistry	20+5	100
Total	75	300

ADMISSION TO NITs, IIITs AND CFTIs

- Admission to NITs, IIITs, and CFTIs participating through Central Seat Allocation Board will be based on All India Rank subject to the top 20 percentile in the 12th class examination conducted by the respective Boards.
- For SC/ST candidates the qualifying marks would be 65% in the 12th class examination.
- For Gen. & OBC candidates the qualifying marks would be 75% in Class XII for admission to NITs, IIITs, and CFTIs here.
- The JEE (Main) 2026 Counselling will be done online by JoSAA and CSAB in different rounds. To appear in the counselling, candidates will have to register themselves and fill their preferences of colleges and courses.
- The seat allocation will be done based on the filled choices, rank, category and seat availability

JEE Advanced

JEE Advanced is a national-level engineering entrance exam for admission to the IITs. It is the second level of the IIT admission screening process, the first being JEE Mains. Top 2.5 lakh candidates of JEE Mains are allowed to register for JEE Advanced. Only those candidates who pass the Advanced level become eligible to apply for IIT admission via the JoSAA counselling process.

IITs offer the following courses to the JEE Advanced rank holders:

B.Tech.: in various Engineering disciplines.

BArch :in Architecture.

Integrated MTech. and Integrated M.Sc. programs.

B.Sc. programs in Science.

Dual Degree programs like BTech - MTech and BS-MS.

NEET (UG) 2026:

The National Eligibility cum Entrance Test (NEET) UG is the single national-level entrance exam in India for aspiring medical students seeking admission to undergraduate programs like MBBS, BDS, BAMS, BHMS, BSMS, BUMS, and B.Sc Nursing. The NEET 2026 exam will be conducted by the National Testing Agency (NTA), tentatively on the first Sunday of May 2026. Based on the previous years' trends, the NEET 2026 date is likely to be May 3, 2026.

NEET 2026 will be the gateway to admission to undergraduate medical, dental, nursing and other allied medical courses across India. It is a paper-pencil-based test (PBT), conducted for a duration of three hours, scheduled from 2 PM to 5 PM as per the Indian Standard Time (IST).
